- Act with integrity and make the right decisions even in tough circumstances.

July Attribute is INTEGRITY

WHAT IS INTEGRITY?

I will do what is right and ensure there is no difference between what I say and what I do.

I WILL:

- do the right thing, even if it isn't going to be easy for me or for others.
- make sure there is no difference between what I say and what I do.
- be consistent and true to my heart.

INTEGRITY is about treating others and yourself with respect.

Having integrity allows people to make the right decisions in tough circumstances, knowing their choices will make a positive difference.

Integrity is doing the right thing, even when no one is watching.
