

Connecting Character INTO Your Community

CHARACTER COMMUNITY WEEK – October 24-29, 2016

OCTOBER ATTRIBUTE: INCLUSIVENESS

I will work to build a community where everyone feels included, empowered and valued for his or her unique contributions.

Our **Connecting Character INTO Your Community** social media campaign will showcase photo submissions over the month of October and then be highlighted during the rest of the year.

We invite our supporters to send us photos of where they have seen how positive character is impacting their own community.

Or create a Character themed display and take a photo and send it along. Examples of this can be seen in our school yards and hallways, in our arenas, libraries, on public walk ways, parks and in organizations who embrace our attributes as a part of their own core values.

We have included a few examples of pictures we have already found.

Post to our **Facebook page** @CharacterCommunity or our **Twitter feed** @charactercmunty and we will share with our followers.

Share, follow and challenge others to do the same and use the **HASHTAG #CCweek16**
